DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael A. Scaturro on 11/19/2007.

The amendment is as follows:

(A) Claims 4 and 11, line 1 "claim 3" has been changed to read as --claim 1--.

Allowable Subject Matter

1. Claim 1 and 4-13 are allowed.

The following is an examiner's statement of reasons for allowance:

2. Claim 1 recites:

The device being arranged so that the transport system (5) slides along the guide elements (11,12) such that during a first portion of the movement between the loading position and the operating position the coupled main element (6) and tray portion (7), starting in a vertically neutral position, execute a joint sliding action and during a second portion of the movement, the tray (7) portion executes an upward swivel action relative to the main element (6), while the main element (6) remains stationary.

This limitation, in combination with the limitations of the other claims, are neither anticipated, nor rendered obvious by any prior art of record.

The closest reference, Sasaki (US Patent Number 4862445), discloses a tray that slides along the guide elements and executes a sliding and swivel action, but the tray does not start out vertically neutral.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Matthew G. Kayrish whose telephone number is 571-272-4220. The examiner can normally be reached on 8am - 5pm M-F.
